We are seeking a God-loving Student Ministry Pastor with a passion for evangelizing to and discipling students (Jr. High School, High School, and University) for a God-centered life. The position includes developing, coordinating, and evaluating student programs, including weekly activities (Sunday school and fellowship programs), large group outings (i.e., camps, retreats, conferences), and outreach (e.g., campus ministry, ministry to the poor, short-term missions, evangelism) for our 60-80 students.

The candidate should be fluent in English (oral and written) and should have excellent communication and administration skills. Understanding and/or experience with Asian cultures would be a valuable asset.

The successful applicant will be a Seminary/bible college graduate and will need to be accredited as a licensed worker of the Christian and Missionary Alliance of Canada.
